NEW: Bowker Bookwire App

Bowker Bookwire™ is a free mobile app that serves the needs of everyone searching for books - consumers, librarians, and booksellers-using iPhone®, iPad® or Android.

Using the Bookwire™ app, scan the barcode of any book, retrieve a quick search result for a particular title and format, view a list of the lowest retail prices, and make a purchase. Quick search allows users to easily find the book they're looking for.

For subscribers to Books In Print® or Resources For College Librarians™, the Bookwire app offers another step-allowing subscribers to login into access book details. Or add titles to selected lists, whether you're on the go, or in the library stacks.
